MAY RUN FOR GOVERNOR

THOMAS B. MCGREGOR

The popular third assistant Attorney General, whom the republicans are talking of running for governor. In speaking of McGregor and his boom the Frankfort News says: "He possesses remarkable abilities as a level-headed official and as a campaigner. It is pointed out that his record has placed him in a position where he would be acceptable to the tobacco people and to both the temperance and liquor elements of the party, and that he has endeared himself with the school people of the State in fighting for the schools and that all factions of the party could unite upon him and that his nomination would be the solution of the problem that confronts the party at this time. Mr. McGregor has announced his intention of becoming a candidate for Attorney General. The Interior Journal doesn't believe the next governor is going to be a republican but if that party should happen to get in, there is no member of it the I. J. would rather see in the executive chair than Tom McGregor."

A NARROW ESCAPE.

Grant Mullins the youngest son of Mr. and Mrs. H. J. Mullins of this place had a very close call for his life last Saturday afternoon. He and a number of other young fellows were practicing base ball at the Jones field, and he was catching without a mask when a "foul tip" hit him just over the eye and crushed the skull. It was thought at first an operation would have to be performed but Dr. Lovell arranged the broken bones so they will grow back without it.—Mt. Vernon Signal.

RESOLUTIONS PASSED BY DANVILLE BAR

Whereas Judge M. C. Saulley died on August 12, 1910, at his home in Stanford, Kentucky; and whereas the Danville bar has been called to adopt suitable resolutions touching his life and character:

Therefore be It Resolved

(1) That in the death of Judge Saulley, the district has lost an able and upright jurist, and the profession one of its brightest ornaments.

(2) That he was a judge of incorruptible integrity and of marked ability.

(3) He was an orator of recognized talent and brilliancy, and a true and faithful friend, and bore himself as a man in all the walks of life, both in war and peace.

(4) The sympathies of this bar are tendered to his family, and a copy of these resolutions will be sent to his widow and spread at large upon the records of the Boyle Circuit Court and published in the newspapers of the district.

Nurse Says:

"I know what is good for young and old people," writes Mrs. Clara Dykstra, a trained nurse of South Bellingham, Wash., "and will say that I consider Cardui the best medicine for girls and women. It makes them feel like new persons, relieves their pain and regulates womanly troubles. Both my daughter and I received great benefit."

Take CARDUI

The Woman's Tonic

As a medicine for female trouble, no medicine you can get has the old established reputation, that Cardui has.

Fifty (50) years of success prove that it has stood the greatest of all tests—the test of TIME.

BURLEY CROP SMALL

Commissioner of Agriculture Rankin says that from the information he has received from the various counties in the Burley district, he has come to the conclusion that the white Burley crop this year will not be more than 65 or 70 per cent of an average crop, if that much.

In a few of the counties that have been favored with rain the tobacco is in a fairly good shape, and if the weather remains warm and the frosts do not come early, a 75 or 80 per cent crop will be had on an average. In a large majority of the counties, however, tobacco has suffered from drouth, and in some of these counties, there will not be a 40 or 50 per cent crop.
